Conference of NW Chapter of IAPM 2025 Chandigarh

INVITATION

Dear Colleagues

Warm greetings!

We take this opportunity to express our deep gratitude to all members of the NW chapter of IAPM for giving us the chance to host this meeting. It is our pleasure and privilege to invite you all to the conference of NW Chapter of IAPM, scheduled for April 20, 2025. This conference aims to foster deeper and more impactful connections among five states, united not only by geographical proximity but also by a shared commitment to advancing Pathology and healthcare services.

Our objective is to enable budding pathologists to benefit from the experience of seniors and share ideas and resources with peers. We hope to inspire and bring about effective methodologies, innovative research and practical insights. The conference will have sessions on various interesting and challenging topics. There will be free oral paper and poster sessions, and a slide seminar with a difference. The event promises to be both stimulating and educational, featuring eminent speakers who will offer their valuable perspectives on these topics.

Moreover, this will be an opportunity to experience Chandigarh, a city that beckons one and all with an open hand. We can assure you that it will leave a lasting impression with its scenic charm and welcoming atmosphere.

We wholeheartedly look forward to your participation in this event. We are optimistic that everyone will savour the experience, enjoying both the academic feast and the delights of "The City Beautiful."
