

Guidelines for oral paper presentation

- The Oral paper presentation should be made as a PowerPoint in the template available at our website <https://nwiapm2025.com>
- Time Limit of maximum **6 minutes** (04 for presentation and 02 for discussion)
- The data presented should be clear and concise, and all images should have legends.
- Please ensure that patient confidentiality is protected. No patient's names, hospital numbers or other identifying information should appear in the presentation.
- The oral paper presentation will be judged on content, quality of slides, and clinical relevance.
- When using light backgrounds (white, yellow, light blue) we suggest using dark fonts (black, navy blue, dark green).
- When using dark backgrounds (blue, purple) we suggest using light fonts (white, yellow, cyan).
- Avoid using red or green in any fonts or backgrounds as they are colours that are difficult to read.
